Sent via email: BCRodriguez@ap.org

Dear Ms. Rodriguez:

This letter is in response to your April 13, 2018 email to the Department of Human Services (DHS). You indicated that you are seeking enrollment numbers for the Iowa Family Planning Network (IFPN), as well as the Iowa Family Planning Program (FPP). In addition, you are asking for data regarding services accessed by members and the unique provider count for the programs. Specifically, you requested:

Iowa Family Planning Network enrollment numbers by months between October 1, 2016 and June 1, 2017.

2016 Family Planning Network Waiver Enrollment		2017 Family Planning Network Waiver Enrollment	
October	13,166	January	11,317
November	12,634	February	10,769
December	12,219	March	10,314
		April	9,754
		May	9,179
		June	8,570

Family Planning Program enrollment numbers by month between July 1, 2017 and April 1, 2018.

2017 Family Planning Program Enrollment		2018 Family Planning Program Enrollment	
July	8,207	January	6,155
August	7,461	February	5,767
September	7,154	March	5,334
October	6,897	April	data not yet available
November	6,817		
December	6,542		

Please note that the enrollment data was gathered at a specific point in time and should be considered a 'snapshot' of the program activity. The numbers given may vary slightly from the enrollment number as of the 1st of each month.

If there are any IFPN members included after July 1, 2017, please break down how many and by month:

Due to the termination of the IFPN program, all members enrolled in IFPN as of July 1, 2017 were transitioned to the FPP.

Number of services accessed by FPP members in SFY18, Q1; SFY18, Q2; SFY18, Q3:

2,664 members accessed services or had a prescription filled in SFY18, Q1.

1,523 members accessed services or had a prescription filled in SFY18, Q2.

Data is not yet available for SFY18, Q3.

Number of services accessed by IFPN members, if any, in SFY18, Q1; SFY18, Q2; SFY18, Q3:

Due to the termination of the IFPN program, there were no services accessed by IFPN members beyond June 30, 2017.

Unique provider count for the FPP in SFY18, Q1; SFY18, Q2; SFY18, Q3:

957 providers provided a service in SFY18, Q1.

559 providers provided a service in SFY18, Q2.

Data is not yet available for SFY18, Q3.

Count of unique providers including clinicians, clinic sites including family Planning clinics, federally qualified health care centers, rural health clinics, as well as laboratories, and pharmacy services based on the providers' National Provider Identification Number (NPI).

Unique provider count for the IFPN, if any, in SFY18, Q1; SFY18, Q2; SFY18, Q3:

Due to the termination of the IFPN program, there were no providers participating in the IFPN program beyond June 30, 2017.

The data provided by the Iowa Department of Human Services (DHS) in response to your request is provided "as is." DHS cannot ensure the accuracy, completeness, or reliability of the data. The encounter validation process is not yet complete and a one percent (1%) error rate has not yet been achieved. Users accept the quality of the data they receive and acknowledge that there may be errors, omissions, or inaccuracies in the data provided. Further, DHS is not responsible for the user's interpretation, misinterpretation, use or misuse of the data. DHS does not warrant that the data meets the user's needs or expectations.

Please contact me if you need additional information.

Sincerely,

Matt Highland
Public Information Officer
